

IM Job Opening – Graphic Designer

Inspiration Media is looking to hire a graphic designer to work on a per-project contract basis. Projects are either compensated at a flat rate or at a competitive hourly rate depending on the scope of the project. Hourly rate is based on skill level and experience.

Skills Needed: Degree in Graphic Design or related field or 3 years experience.

Must be proficient in Photoshop, Illustrator and Flash. Proficiency in HTML is not required, however strong design skills are.

Must be able to take a written site design document which will include the home page content, the navigation menu items, and the style guidelines and produce a layout in .psd or .fla format that adheres to the design specifications.

To apply: Send an email to employment@inspirationmedia.com.

Be sure to include your resume and requested hourly rate. URL's required.
